## CHESHIRE COUNTY DELEGATION

---

A report of the Long Range committee was read and accepted and placed on file on motion of Mr. Blake of Swanzey and a copy sent to the Commissioners to be printed in the county report.

On motion of Mr. Aldrich of Keene the Executive Committee was designated to act as the Budget Committee for the ensuing year.

On motion of Mr. Winslow of Keene an Investigating Committee was named by the Chair, to consist of five members.

It was moved by Mr. Smith of Keene that the Long Range Committee be continued, and that the Chair appoint a committee to consist of seven members. On motion of Mr. Page of Keene, it was voted that the Long Range Committee be asked to attend to the matter of jail facilities at the County farm and recommend to the delegation what action should be taken.

Mrs. Baker of Roxbury offered the following resolution: Resolved, That all motions and resolution be reduced to writing when ordered by the chair.

Mr. Blake of Swanzey offered the following resolution: Resolved, That all votes to investigate any person or business of the county be laid on the table for at least six days before action is taken by the delegation. Resolution did not pass 9 to 8.

#### TO THE 1947-1948 COUNTY DELEGATION

The 1945 Cheshire County Delegation voted to have the Long Range Committee investigate the feasibility in the matter of moving the Sheriff's Department two-way radio antennae, transmitter and receiver to a higher location and to ascertain the costs of same.

The report of the Committee is herewith submitted: At the present time the elevation is 900 feet. This altitude is high enough so that the two-way radio system, which is now in use at the Sheriff's Office, will cover Keene, Marlboro, Swanzey, Sullivan, Roxbury and half of Troy. It will not cover the remaining towns in the County.

At the present time the City of Keene owns the transmitter and the receiver which is used at the present location and the County of Cheshire owns the antennae and the rest of the installation on Concord Hill. The City of Keene and the Sheriff's Department use this station jointly.

In July of 1945 the City of Keene and the County of Cheshire received notice from the F.C.C. that they were operating illegally, in that it was not permitted for two departments to use the same transmitter. They were, therefore, operating illegally in that the license for the station was issued to the City of Keene and not to the County of Cheshire. The notice from the F.C.C. further stated that services to the County of Cheshire from this radio station must be terminated within thirty days.

At this time temporary arrangements were made to use this station until a license could be obtained from the F.C.C. for a separate station for the County of Cheshire but to date the County of Cheshire and the City of Keene are still operating jointly.

On November 20, 1945 the F.C.C. issued a permit to the County of Cheshire to operate its own station separately from the City of Keene but due to the lack of sufficient funds they were unable to set up a station and are still operating jointly.

Due to the fact that this present location is not high enough to cover all of the towns in the County and also due to the fact that it is prohibitive to operate one station from two central points, it is recommended by this committee that the County purchase its own transmitter and receiver and at the same time change to a higher elevation and operate its own station. The expense involved would be approximately \$1,500.00.

This committee recommends that \$1,500.00 be appropriated over and above the Sheriff's budget.

Mr. Ingham, Chairman, Cheshire County Delegation.

The inspection committee visited the County Farm today. Two members were sick and two were out of the state, so we did not have a very large committee.

We found everything in good shape. There is a need for a lot of painting to be done, but at this time it is hard to obtain material and labor. We noticed that the entrances to fire escape were through windows instead of doors. Mr. Sanborn said they had some second hand doors on hand and he would have them put in.

The committee feels that Mr. and Mrs. Sanborn are doing a fine job.

Signed,

RALPH A. BLAKE,

## REPORT OF COUNTY COMMISSIONERS

---

To the Citizens of Cheshire County:

In keeping with the Public Statutes of the State of New Hampshire, your Commissioners are presenting herewith their annual report for the year ending December 31, 1947. Included are the reports of the County Treasurer, Solicitor, Sheriff, Clerk of Court, Superintendent of County Farm, Master of the House of Correction, Physician and County Auditors.

The year of 1947 has been one of the most trying years ever encountered. With the advance by leaps and bounds of cost of equipment, labor and materials, it has been impossible to keep some of the expenditures within the budget. However the gross expenditures less the extra amount of receipts received, have not exceeded the gross budget for 1947.

The County Farm receipts are \$26,351.56 for 1947 against \$22,148.70 for 1946, a gain of \$4,202.86 to offset a part of the deficit against the Farm.

Mr. and Mrs. Ned Sanborn, Superintendent and Matron at Maplewood Home, have done an excellent job as managers. The inmates have the best of care and are contented.

We wish to congratulate County Solicitor Lichman for the able manner in which he has conducted the legal matters for the County. He has cooperated in every way and has given advice at all time in matters concerning County affairs.

The assistance of Mr. Dunlap, Welfare Officer, for the American Legion and Forty and Eight, in cases of relief for service men, has been most helpful. Information he has been able to give concerning these cases has been of great assistance for the records of the County Office.

All types of relief have advanced considerably this year. The rate of Board and care of children was raised \$5.00 per month last June. It may not be generally understood, but all Old Age Assistance cases lose their grant after being in the

County Hospital or any hospital three months and are obliged to be taken care of after that time by the County or town if they have a settlement. Old Age grants are not allowed to any person boarding in the County Home or any Institution.

The cooperation of organizations and individuals has been greatly appreciated by the Board.

FRED A. RAMSAY,  
WINFRED C. BURBANK,  
DAYTON L. PARK,  
County Commissioners.

## SUPERINTENDENT'S REPORT

---

To the Honorable Board of Commissioners of Cheshire County :

We hereby submit our report for the year 1947, which was about the average for the past five years. Our crops were good. The high water in May did us some damage but as a whole we have no fault to find.

We have had very little sickness among our people. They seem quite well, happy and contented.

You and your office staff have been very helpful and understanding in working with us in the welfare of our people, we greatly appreciate it.

We want to thank the several organizations who did so much for our people and helped to make this the best Christmas for some time, and all who in any way helped, during the year to make life more pleasant.

Very sincerely,

NED D. SANBORN,

Superintendent.

SUSAN J. SANBORN,

Matron.
